

AE3 LIGHTNING SYMPOSIUM ON TEACHING:
IDEAS THAT WORK
2017

Kathryn Huff
Nuclear, Plasma, and
Radiological Eng.

- | | |
|-------------------|------------------------------|
| Problem: | Implicit bias |
| | Stereotype threat |
| | Unequal participation |
| Solution: | Randomly call on students |
| Benefits: | Guarantees participation |
| | Samples attendance |
| | Normalizes incorrect answers |
| Drawbacks: | Initial discomfort |
